[Home Page](#)[About Us](#)[Ordering Guide](#)

About Us

Only 19 year old, Sarah Long is the younger Long sister. Sarah began making homemade truffles when she was 16 to help raise funds for church missions trips. Since then, she has perfected the art of truffle making and has a collection of homemade recipes and flavors. Sarah is passionate about cooking, baking, and French culture; she hopes to one day study abroad in France to complete her college education. Her passion and talent for creating decadent desserts is the foundation of CoCo Délice Truffles & Bakery.

Stephanie Long recognized her sister's talent and decided to share Sarah's desserts with the world. Though she is not gifted in the art of chocolate making, Stephanie is the business end of the company. Stephanie is passionate about life, missions, soccer and photography; she is currently finishing her Marketing degree at William Jessup University. Her energy is the life source of the business.

Sarah's art and talent combined with Stephanie's passion and drive has lead to the creation of CoCo Délice Truffles & Bakery. Essentially, the sisters love that the company gives them an excuse to hang out all the time. They want to bring that love and concept of relationship into the business with them. Each dessert is carefully made by hand with only top quality ingredients. The company's vision is to build relationships while providing decadent desserts, rather than just delivering a product.

CoCo Délice Truffles & Bakery is currently promoting truffle sales and plans to provide other desserts as demand increases. Our Truffles are perfect for parties, corporate meetings, weddings or special events; they are sure to become a household name and guest favorite.

In the summer of 1910, the young confectioner Leonidas Kestekides traveled to the Brussels World Fair as a member of the U.S. Greek delegation. He returned to Belgium as a delegate to the International Exhibition of 1913. Between the two events, he won gold and bronze medals for his fine chocolate confectionery and patisserie.

This prestigious recognition, combined with a love at first sight for a ravishing Brussels beauty, persuaded young Leonidas to settle in Belgium for good. He opened tearooms in Brussels, Ghent, and Blankenberghe, allowing the public to savor the fruits of his talents.

Today, Leonidas Fresh Belgian Chocolates offers a wide variety of fine gourmet chocolates for your business or personal gift-giving needs. Leonidas chocolates, made with 100% cocoa, are flown in to the United States on a weekly or as needed basis to guarantee constant quality and freshness, and insure customer satisfaction.

The Delice Corporation, a privately-owned company headquartered in New Rochelle, NY, owns, leases and operates high-end chocolate boutiques selling the Leonidas brand premium, fresh, Belgian chocolates.

All of Delice's chocolate boutiques are locally managed.

cocoa délices - fine chocolates for gift giving

April 13, 2009

Now that the Easter sugar rush is over, let me turn once more to chocolates and gift giving.

Montreal's newest *chocolaterie*, [Cocoa Délices](#), is a hotbed of flavor, with a focus on baby showers. Confused? I was, too, until I made my way to the back of their posh showroom and bit into a ganache flavored with mango, mint and coriander.

Full and rich, with bursts of sweetness and delightful savory undertones, the complexity helped prepare me for a few of their other specialties: lime-pastis, and *feu sud américain* - South American fire.

So naturally I wondered what these exotic flavors had in common with a blue paper boat setting sail on a nearby shelf. The ship's hold was filled with individually wrapped chocolates, each decorated with its own blue bear. Nearby were delicate pink foil squares topped with rocking horses.

There are adventurous chocolate eaters, and lovers of tradition, I was told.

Adventurous types can choose their favorite flavored ganaches, naked, from the counter. Lovers of tradition will find milk chocolate, hazelnut, and praline at the counter too - and wrapped as specialty gifts, enrobed in demure blue and pink foils for baby showers, births and baptisms.

It's a great marketing move, as there are at least three stores on the street dedicated to outfitting babies.

For shoppers looking for chocolates in more grown-up wrappings, elegant brown and copper foil boxes can be filled with the selection of your choice. A bit staid for birthday presents (unless it's for a grandparent), the boxes make lovely hostess gifts.

And for the young person who likes sweets, try the nougats, wrapped in cellophane. The pastel colors of the candy are their own reward - until you sink your teeth into their chewy, salty-sweet goodness.

Dark and light, adventurous and traditional, the chocolates are hand made in Quebec and delivered to the store a kilo at a time, to assure freshness.

Gourmet Gift Giving Guide

Posted on [March 13, 2011](#) by [florgund](#)

There is a dizzying array of excellent, elegant edible gifts for the gourmand in your loved ones or circle of buddies this vacation season. To narrow down the choices, Food Trends went on a truth-locating mission to taste the way so that shopping becomes as uncomplicated as a few clicks of a keyboard.

Exotic Edibles:

- **Kitchen Guru's Tikka Masala**- this British based business provides a terrific selection of spice packets that are sealed for freshness. The Tikka Masala listed here is for chicken, and you simply follow the recipe inside the flap of the packet, peel off the corresponding carton and cook your way to a heady aroma of cumin, red chili powder and cardamom. You add the fresh ingredients and take a bow when dinner guests laud your culinary prowess. (Serves 4).
- **Pink Himalayan Salt Grinder**- from Drogheria & Alimentari – pink-hued salt harvested from the Himalayan Mountains that's 100% natural and rich in calcium, magnesium, potassium, copper and iron. It's the best finishing salt and its natural blush of pink a very attractive addition in any kitchen.

Pantry Pleasures:

- **Brunet's Blackberry Preserves with Fine Cognac**- (375 g for \$10.95 CDN). Small batch-made French preserves made employing sun-ripened fruit infused with cognac render this the ideal waffle or toast topper, ice cream show-stopper or perfect accompaniment to foie gras if you're guests are worthy of such delights.
- **Spanish ArteOliva extra-virgin olive oils** are cold-pressed in the business's contemporary Cordova factory and packed in enviro-friendly Tetra Brick containers. A blend of numerous Spanish olive varieties, including *Hojiblanca*, *Picual* and *Arbequina*, ArteOliva is perfect as a finishing oil. If it's beneficial sufficient for famed French Chef Georges Blanc's restaurants, it's beneficial sufficient for any discerning foodie on your gift list!
- Florence, Italy based Drogheria & Alimentari make a attractive **Fig and Balsamic Vinegar Glaze** that's certain to delight. Used as a sauce, drizzled more than roasted meats, risotto, and grilled tuna or as a dessert topping, these glazes commence with the finest vinegar of Modena which are decreased to a thick, luscious glaze that maintains the key ingredient's balsamic flavour. The **Fig Balsamic Glaze** utilizes Italian figs (150ml for \$11.95)- a unique flourish for any vacation entertaining or hostess gift. Other flavours include things like a classic Balsamic glaze, Black Cherry, Orange Glaze, and Berry Balsamic glaze. That's one lucky risotto!
- **Royal Command Honeys**- from lavender, acacia, orange blossom to chestnut flower, these honeys are

elegant, refined and pretty much too very good for a cup of tea. Excellent drizzled on a warm scone with cream or a golden piece of buttered toast. If you're feeling generous, you might possibly drop a spoonful into your tea.

Sweet Endings:

- **Cocoa Delices Chocolaterie Chocolates and Nougats** are carefully crafted in Quebec, according to the enterprise owner's exclusive recipes, utilizing good quality ingredients in little batches. These are some of the *rather* best nougats sampled outside of Europe! Nougat flavours involve: a stunning Rose Petal, Pistachio and delicate Almond/Apricot along with a choice of Nougat squares infused with: Lavender, Mandarin, Banana and Pistachio. The chocolates are luxurious and wonderfully imaginative with flavours ranging from Habanos: a Mango Habanero chili blend, Mango mint Coriandre and the Tempete- a Vanilla Ginger Rum that's reminiscent of Caribbean nights along a palm-tree lined beach. Unique and fabulous- these won't disappoint. To order, click on the link above or go to the shop in Montreal.
- **Xoco Magic from Spain**- fun and whimsical chocolate discs (or any shape you want) printed with personalized notes. The excellent parting gift for any dinner guest. They even make chocolate invitations- how sweet is that? For more facts call: +34-672-022-695 or +1-954-675-2434.

Note: Most of the above-listed goods are offered here from Canadian owned The Qualifirst Group and customers receive free of charge shipping with \$75 minimum obtain with delivery in 3 to five home business days to 11 important Canadian cities across Canada or a \$15 shipping rebate to other locations in Canada. Cities with no cost delivery comprise: Vancouver, Victoria, Calgary, Edmonton, Winnipeg, Toronto (GTA/ Mississauga & Hamilton), Ottawa, Montreal, Quebec City and Halifax. Delicious treasure

I visited this place when I made the trip from Vermont to Montreal during Christmas. City has so much to offer, and Cocoa Delices was a gem of a discovery. Initially, my wife thought that it was a "gift store" until we walked in and were instantly hit with the chocolate smell. We realized we were in cocoa heaven. The store is meticulously and beautifully arranged (as a gift store—No clutter [More])

CHOCOPURIST

TONIGHT, WHILE THE KIDS ARE EATING STALE CANDY CORN, WE'LL BE INDULGING IN GOURMET GOODIES FROM COCOA DELICES.

This chic new spot serves up to-die-for "statement" chocolates in over 60 flavors. Inspired by their travels across Europe, the chocoholic owners produce only 1kg of each kind so freshness is preserved.

Our favorites include the *Rose Rouge* with red rose oil and raspberry, the *Sesame-Dipped Truffle*, and the heavenly *Sel et Poivre* made from salted caramel and peppered dark chocolate ganache.

Isn't being a grown-up great?

Cocoa Delices Chocolaterie Comptoir

We would like to say "case" rather than shop. Is that even the counter of the little chocolate shop on Laurier Avenue is nestled at the back of the store, little treasure to discover. Under the window, a nice selection of classics such as mixtures of cocoa nibs or praline orange, but also a few finds. Our favorite? One bite salt and pepper or the intense light South American flavored with agave, the tequila and chili pepper. The rich sweets, we says we are in Quebec produced in very small quantities to ensure freshness. It is also strongly flavored nougat Mediterranean or rose petals or small bites topped with almonds and filled with a paste with mandarin. Closed Mondays. Open from 11 am to 18 pm Tuesdays, Wednesdays and Thursdays, Fridays, between 11 am and 19 pm and Saturdays from 11 am to 18 pm and Sundays from 14 am to 18 pm

On aurait envie de dire "écrin" plutôt que boutique. C'est que même le comptoir de la petite chocolaterie de l'avenue Laurier est niché tout au fond du magasin, petit trésor à découvrir. Sous la vitrine, une jolie sélection de mélanges classiques tel le grué de cacao ou le praliné orange, mais aussi quelques trouvailles. Nos préférées? Une bouchée sel et poivre ou encore l'intense Feu sud-américain parfumé à l'agave, à la téquila et au piment chili. Les riches friandises, nous précise-t-on, sont produites au Québec en très petite quantité pour en garantir la fraîcheur. On y va aussi pour les nougats aux parfums résolument méditerranéens, soit pétales de rose ou encore de petites bouchées garnies d'amandes et fourrées d'une pâte à la mandarine. Fermé les lundis. Ouvert de 11 h à 18 h les mardis, mercredis et jeudis; les vendredis, entre 11 h et 19 h; les samedis, entre 11 h et 18 h; les dimanches, entre 14 h et 18 h.

Bienvenue à la chocolaterie Cocoa Delices, une boutique au concept innovateur qui vous offre des douceurs au chocolat fin qui sauront éveiller vos sens. Chez Cocoa Delices, les chocolats constituent notre passion, qu'il s'agisse de leur goût suprême, de leurs arômes enivrants ou de leur texture douce et onctueuse, les chocolats représentent une passion. Notre histoire a commencé au cours d'un voyage en Europe, que nous avons passé à rechercher les chocolats les plus alléchants dont seuls les maîtres chocolatiers connaissent le secret.

Nous y avons visité les chocolateries les plus célèbres ainsi que certains artisans chocolatiers qui ont osé sortir des sentiers battus. Ils nous ont fait découvrir et savourer leurs créations uniques. Nous avons ensuite voulu partager ces délicatesses avec notre famille, nos amis et nos proches. Leur talent artistique et leurs mélanges de saveurs uniques nous ont servi d'inspiration et nous ont mené à ouvrir notre boutique à Montréal. Nous fabriquons nos chocolats au QUÉBEC, en petites quantités afin de garantir une fraîcheur incomparable. De plus, nous utilisons uniquement le meilleur chocolat européen et des ingrédients naturels de première qualité afin de répondre aux normes les plus élevées et de respecter les traditions Européennes.

Ce sont notre envie de partager ainsi que notre passion pour les saveurs sublimes et simples, mais aux ingrédients ô combien exquis et frais, qui nous ont servi d'inspiration et nous ont motivé à créer Cocoa Delices.

Welcome to Cocoa Delices Chocolaterie, a new concept boutique that brings you fine chocolate delicacies that will awaken your senses.

We, at Cocoa Delices, are passionate about fine chocolate, from its glorious taste and fragrant aromas to its soft and silky texture. It all started while traveling through Europe, seeking the most delectable chocolates that are the exclusive domain of true Master Chocolatiers.

We visited the most famous chocolate boutiques and smaller artisan chocolatiers that are off the beaten path, tasting and indulging in their unique creations and sharing these delicacies with family, friends and loved ones.

Their Artistry and unique blending of flavors inspired us to create our delicacies, in QUEBEC, and in small batches, to ensure freshness, using only the best European chocolate and only natural and premium ingredients, according to the highest European standards and traditions

It is that joy of sharing and our passion for great flavors and simple, yet exquisite fresh ingredients, which were the impetus and inspiration for the creation of Cocoa Delices Chocolaterie.
